HAUTE SPOT

It was a busy week in the King Edward hotel's historic Crystal Ballroom. A few days before the *Suits* cast made use of the site as a filming location, Toronto's most stylish philanthropists graced the glamorous venue for An Haute Affair. Co-chaired by Vonna Bitove and Suzanne Rogers, the fundraising gala highlighted Giambattista Valli's Spring/Summer 2018 collection in a runway show watched by guests from tables adorned with floral centrepieces picked out by Giambattista himself. Absent owing to sickness, the celebrity designer sent a video message and a fabulous auction prize: a mink coat, two tickets to a couture show, dinner and a personal tour of his Paris atelier – plus a \$10,000 gift card to The Room from event sponsor HBC. The night raised \$760,000 for the Dotsa Bitove Wellness Academy and the Darling Home for Kids. – ALISON EASTWOOD
